Words once Spoken

Chapter 1 by Unspoken Wordz

This was once spoken to me;

Do not get angry about what another could not to give bak to you

In truth very little can ever hold a candle to the things you've given to more than a few

Do not seek vengeance on any who chose to harm you

Then you will become as low and deceptive as they once were to you

Do not allow your tears to fall for anyone who laughs at your pain n never allow urself to place blame

They too will find themselves saddened by the all the words they spoke but didn't do and once they choose to cross you they become people you once upon a time knew

Do not give another soul power enough to stop what it is you do

Bkuz although it may just be a handful and not an entire army, there will always be those that will be true to you and those are the ones who will stick with you and ride everything thru

And do not ever stop caring the way only you do and please always be willing to give a helping hand wen someones life is bending into a thousand different pieces

You're the kind of soul who impacts every single person that connects with you and that alone is proof that God not only loves you but that He has blessed you too,their is no other in this world who will ever be just like you...

And that is the honest truth!

Dedicated to my best friend and my baby cousin Sarah J. Slate
